Gulf Shore Boulevard Extension – Traffic Signal Road Project Groundbreaking

WHAT: On October 26, 2021 the Bexar County Commissioners Court approved an Interlocal Agreement between Bexar County and Bexar County Emergency Services District No.11 (ESD 11) to extend Gulf Shore Blvd. from Elk Trail Dr. to Walzem road. A traffic signal will also be placed at Walzem road and Gulf Shores Blvd. The project will not exceed \$650,000. A groundbreaking will occur to mark this important step for interlocal collaboration and public safety in Bexar County.

Currently ESD 11 is developing a fire station and safety facility at 7412 Walzem Rd. The extension of Gulf Shore Blvd would open up fire crew access to neighborhoods and residents. The project will increase the efficiency and effectiveness of ESD 11's emergency response efforts.

WHEN: July 26, 2022
9:00 AM – 10:00 AM

WHERE: 7412 Walzem Rd, San Antonio, TX 78244
